As the new distributor for Honeywell, Tundra is hosting the official:

## Honeywell Launch Event

Edmonton Nov. 4th, 2008 and Calgary Nov. 6th, 2008

Learn about the latest Honeywell offerings, including Wireless Systems, recently acquired ENRAF Product Line & Plant Optimization Solutions. For more information and to register for this great event visit [www.tundrasolutions.ca](http://www.tundrasolutions.ca)

More World class manufacturers proudly represented by Tundra:

Severe Service Control Valves

Innovative "V-Cone" Flow Meters

Temperature, Pressure Regulators & Control Valves

Triple Offset Rotary Valves

Magnetic Level Gages, Magneto & Radar Transmitter

Gas Chromatographs/ Flow Computers

Gas & Fire Detection

PVRV's & Flame Arrestors

Thermal Mass Flow Meters

Industrial Water Tube Boilers, Custom Built

Comprehensive Water & Wastewater Solutions

Pre-insulated Pipe & Double Containment Pipe

Gauges, RTD's, Thermo Wells

Fuel Gas Valves/ BMS Systems

Focus on running your facility with Tundra's full process solutions that cover you from water treatment to boiler to wellhead. Experience more reliability than you've ever thought possible. Plus 24-7 technical support that lets you take your project and your business further.

Get a fresh perspective today.
